Directions:

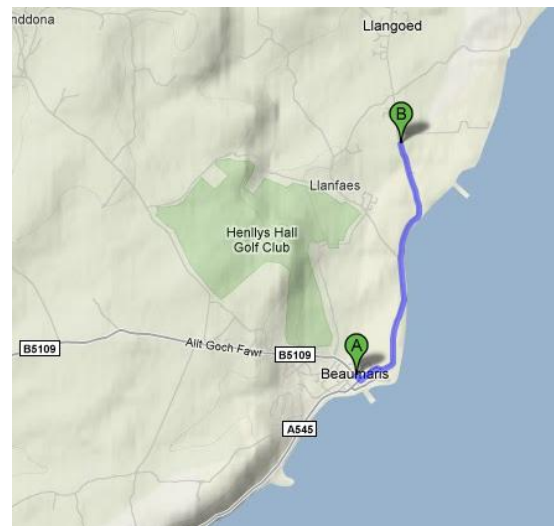

Take the A5 or A55 towards Anglesey and turn off following signs for Beaumaris. Once you cross the bridge, drive through the town of Menai Bridge and turn onto the A545 in the direction of Beaumaris and Penmon.

1. Follow the A545/Castle Street main road out of Beaumaris towards Llangoed and Penmon. You will see the Menai Strait on your right.
2. After a slight left bend after one mile, towards the top of a small hill, look on the right for the entrance to Merlins between the second set of gateposts after the long white wall.

If you see a row of small cottages on the right you have just missed the entrance and will need to turn around.

Follow the A5 / A55, then look for signs for Menai Bridge and Beaumaris. Proceed 7 miles on the A545 to Beaumaris

From Beaumaris, follow Signs for Penmon on the B5109 for just over one mile, then turn right through the gateposts and into the drive.
